Household Hazardous Waste Collections *will* take:

- ☠ **HEAVY METALS**—Wastes containing liquid mercury such as thermometers and fluorescent bulbs.
- ☠ **SOLVENTS**—Mineral spirits, turpentine, paint strippers and thinners, oil-based paints, varnishes, stains, polishes, and waxes.
- ☠ **PESTICIDES**—Weed killers, garden sprays, wood preservatives, roach powder, pet flea and tick products, rat poisons, etc. (includes EPA-banned chemicals listed on the back of this brochure which should ***not*** be used).
- ☠ **ITEMS CONTAINING PCBs**—Ballasts from old fluorescent lamps and small capacitors from old appliances including radios, motors, and televisions.

Please keep products in the *original* container and keep the label intact. If the label is already destroyed or unreadable, label the products to the best of your knowledge. Open, leaking, or rusted containers should be placed in a clear plastic bag during transport to a collection. Please, **do not mix** chemicals!

Please Do *NOT* Bring —

- ❖ Latex Paint*
- ❖ Medicines
- ❖ Fertilizers
- ❖ Batteries (*recycle*)
- ❖ Antifreeze (*recycle*)
- ❖ Explosives & Ammunition
- ❖ Used Oil (*recycle*)
- ❖ General Household or Business Trash

If you have questions on how to dispose of these items, call the LLCHD at 441-8040.

*** The Latex Paint Exchange only occurs during specially designated collections. Only good, usable latex paint is accepted. Please bring only containers that are *at least* half full. Call 441-8040 for information about properly disposing of unusable latex paint.**
